Sir:

Submitted herewith is a listing of documents known to Applicants and/or their attorney in compliance with the requirements of 37 C.F.R. § 1.56. Copies of the listed documents, with the exception of United States patent references, are enclosed.

In addition to the documents cited herein, Applicants also wish to make the Examiner aware of the following co-pending application: 10/549,681, filed September 19, 2005.

In accordance with 37 C.F.R. §1.98(a)(3), Applicants undersigned attorney submits the following concise explanation of the relevance of the non-English language documents cited on the accompanying form:

Reference B3, published Japanese patent document, JP 61-163131 A, describes the preparation of a glass body. An English language abstract corresponding to this document is cited on the accompanying list of references as document C2.

Reference B4, published Japanese patent document, JP 2002-293548, describes a method for producing silica glass. An English language abstract corresponding to this document is cited on the accompanying list of references as document C3.

Applicants do not waive any rights to appropriate action to establish patentability over any of the listed documents should they be applied as references against the claims of the present application. This statement should not be construed as a representation that more material information does not exist or that an exhaustive search of the relevant art has been made.

Consideration of the cited documents and making the same of record in the prosecution of the above-captioned application are respectfully requested.

Applicants do not believe that any fees are due for the submission of this Supplemental Information Disclosure Statement. However, the Commissioner is hereby authorized to charge any fee deficiency or credit any overpayment to our Deposit Account No. 50-4056 under Order No. 7601/84392.

Respectfully submitted,
